➡ **Flynn Construction - Sebastien Joly**

We've hosted our annual FlynnMasters tournament at SilverWood's for the past three years, and it continues to exceed expectations. The indoor golf experience is top-notch - arguably the best in Ottawa - and the venue provides the perfect setup for corporate events. The food and service are consistently excellent, and the atmosphere makes it easy for clients, partners, and colleagues to connect and enjoy themselves. It's become a signature event our guests genuinely look forward to each year, and it simply wouldn't be the same without SilverWood's.

➡ **Minose - Tanya Hall**

Over the years, I have had the privilege of working with the team at Silverwoods to host a variety of events, and each experience has been exceptional. The venue is beautiful, the food is outstanding, and the staff are truly top-notch.

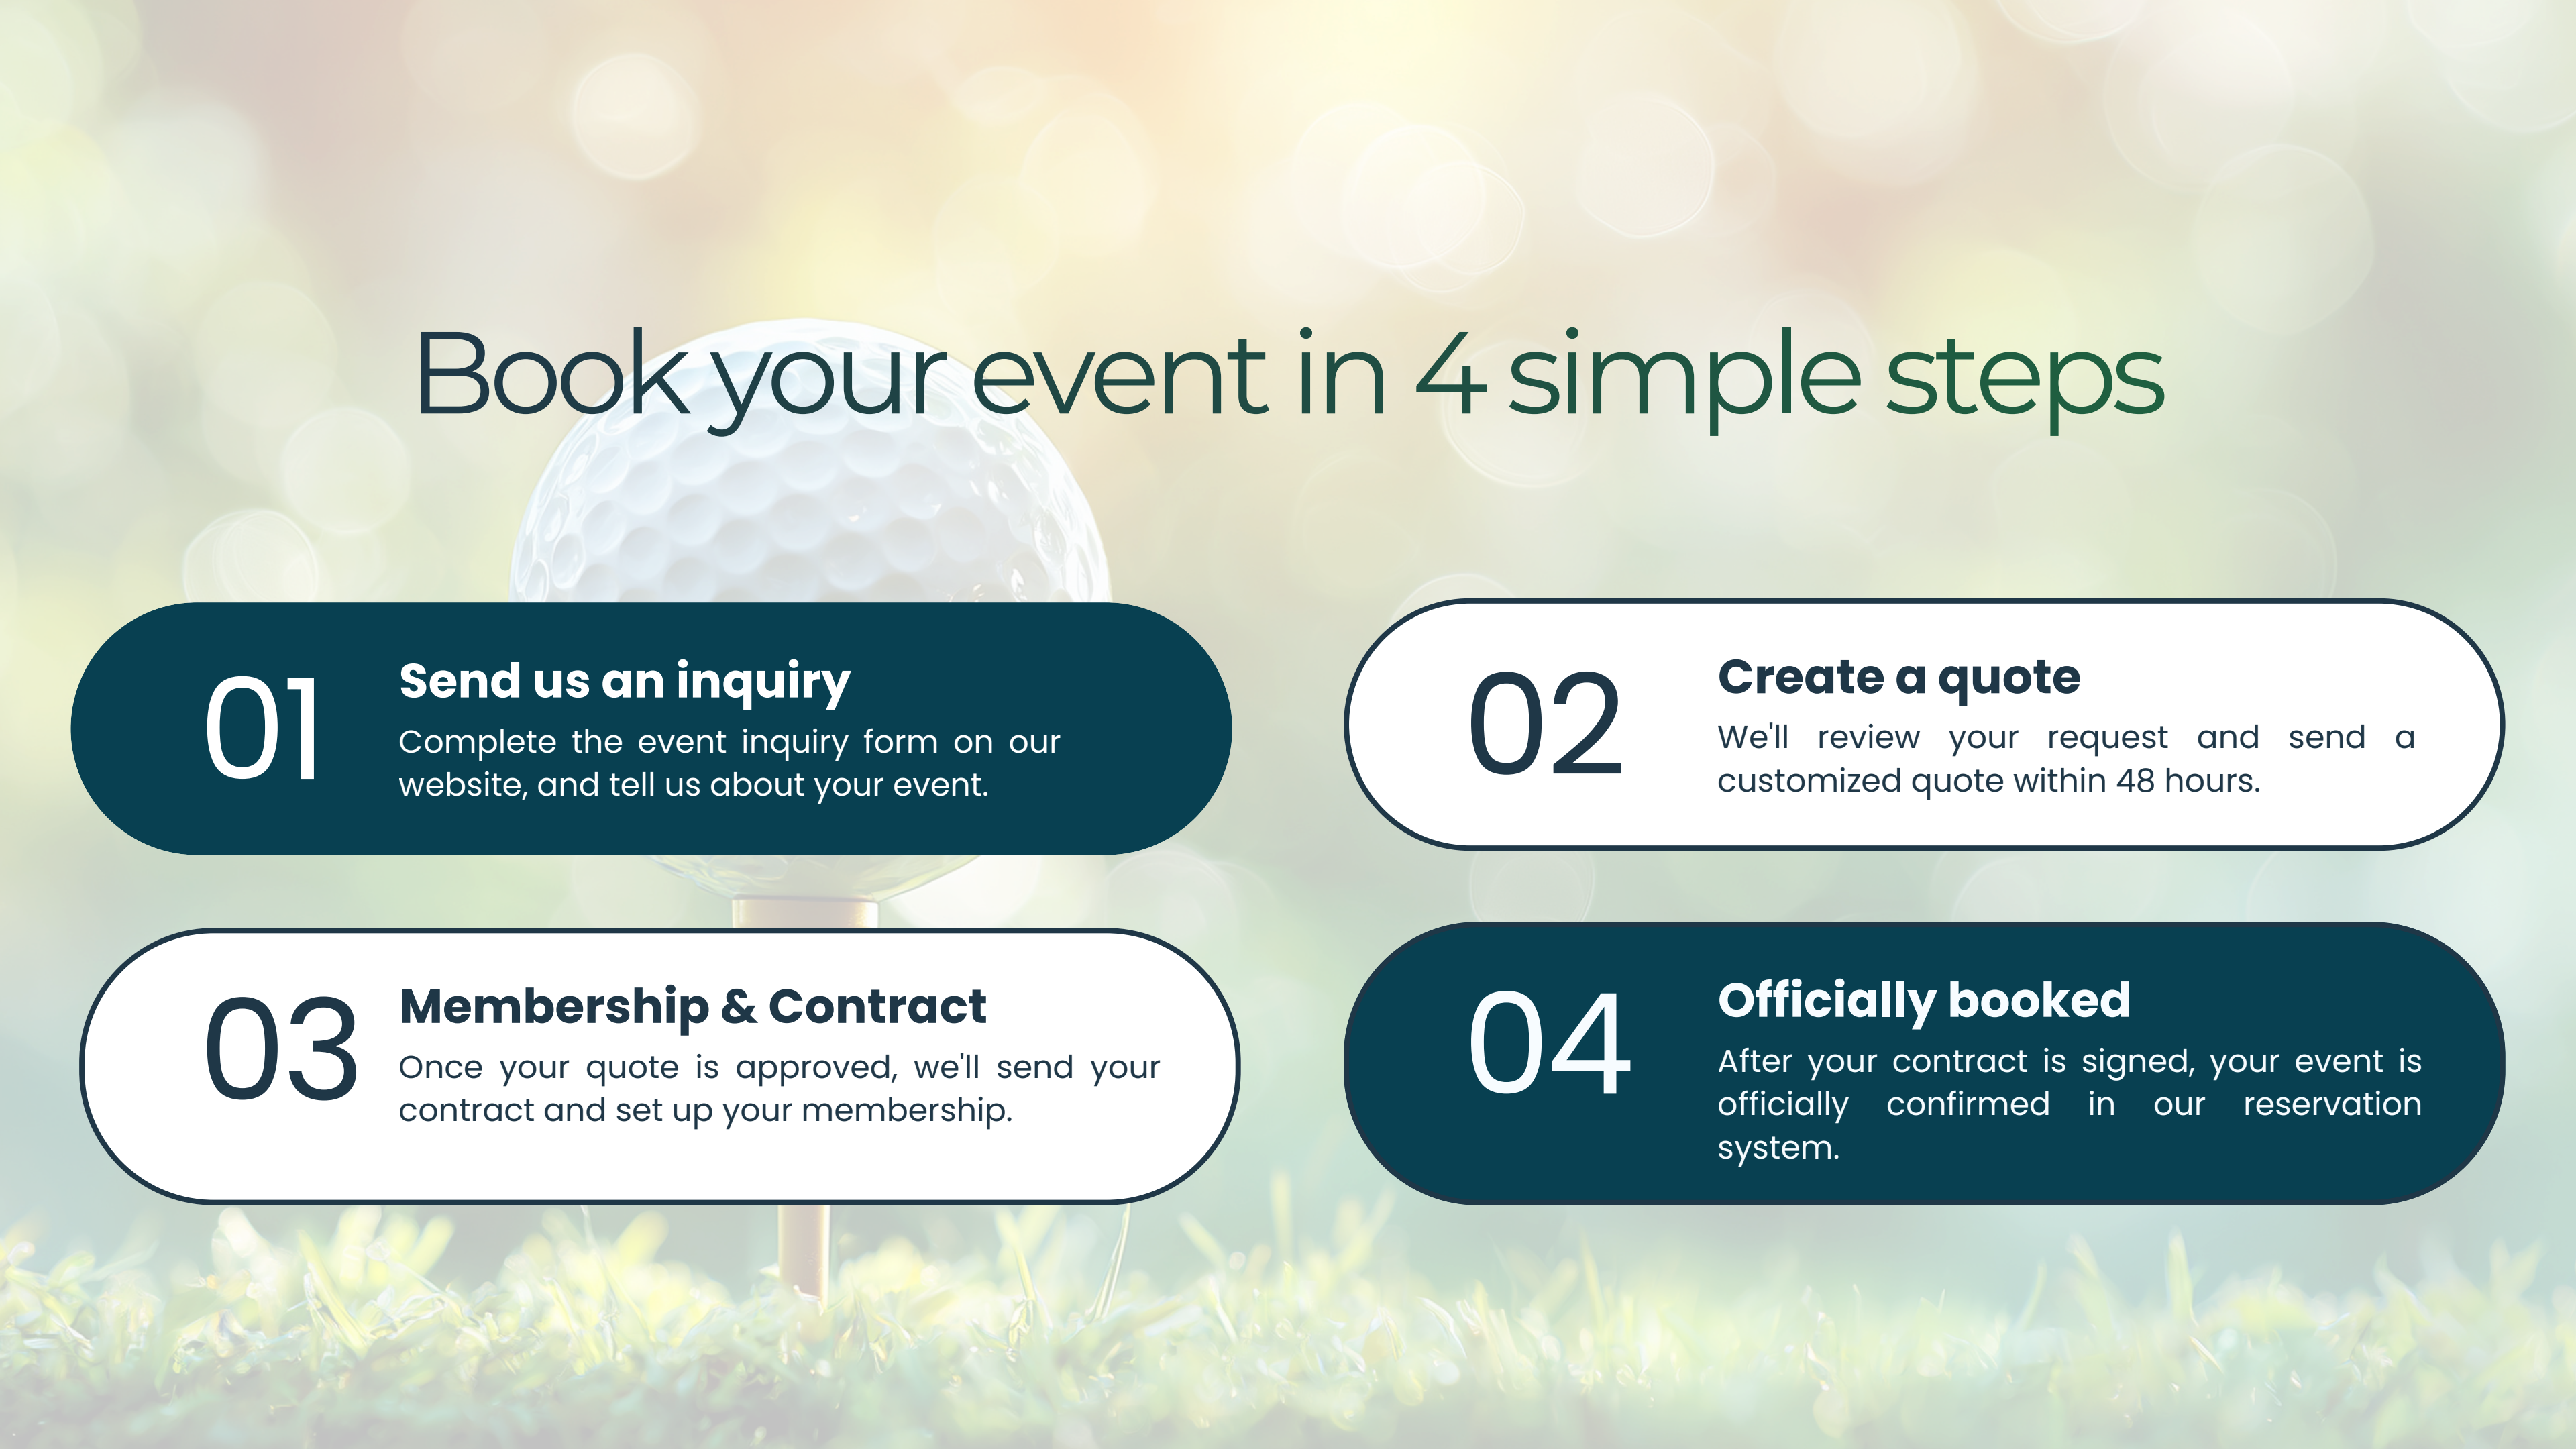

From start to finish, we always felt welcomed, relaxed, and well cared for. Despite managing a busy schedule with back-to-back events, the team never made us feel rushed or pressured. Their professionalism, attention to detail, and commitment to ensuring everything runs smoothly allow hosts and guests alike to simply enjoy the occasion.

I would highly recommend Silverwoods to anyone looking for an exceptional venue, outstanding service, and a team that genuinely cares about creating a memorable experience.
