About Us

Discover the Power of Partnership with Silverwood's Golf & Lounge!

In addition to offering a premier space for golf lovers, Silverwood's is quickly becoming a go-to destination for corporate events and team-building experiences. Local small businesses and large corporations alike have taken advantage of our modern lounge spaces—whether it's hosting team meetings using our big-screen TVs for presentations or bringing teams together for some friendly competition on our state-of-the-art simulators. The possibilities are endless, and the word is spreading fast within the corporate community and beyond!

With the launch of our Sponsorship Program, our goal is to support and promote local businesses while growing mutually beneficial partnerships within our expanding corporate network. For an annual sponsorship fee, we're excited to offer our sponsors ongoing advertising opportunities, targeted marketing strategies, and exclusive corporate incentives that help increase visibility and foster meaningful connections.

After nearly 18 months of operations, Silverwood's popularity continues to soar! We're proud to have built a community of over 10,000 members, grown our social media following to more than 3,000 engaged followers, and welcomed over 120,000 guests through our doors since November 2023. Our reach is growing—and we'd love to help grow yours, too.

Our Sponsorship Packages will be available starting January 1st, 2026, and each package runs for a full calendar year. Current sponsors will have first right of refusal to renew their packages the following year, ensuring they retain their valuable place within our community.

Let's create something amazing together!
